

# IFISO Spring meeting 2018

## CALL FOR A HOST

Dear IFISO organizations,

As you probably know, IVSA takes part in **IFISO** (meetings). IFISO is the 'Informal Forum for International Student Organisations', a non-political and no-profit forum for various student-run organizations. Currently it consists of 27 student organizations, covering more than two million students all together in different fields of study.

Every meeting the IFISO members need to vote for the organization to organize the next meeting, and this time in Graz (Austria) there needs to be decided where the IFISO Spring meeting 2018 will take place. The IFISO meeting is normally organized by one of the member Associations.

### **What's needed?**

#### Timeframe

IFISO meeting traditionally takes 4 days during the weekend. It includes arrival day, 2 working days and departure day.

#### Amount of participants

You need to be able to accommodate, feed and entertain in the evening the recommended number of 27 participants.

Also, rooms to hold our meetings over the weekend will be needed.

#### Program

You don't need to prepare any specific program. The management team will take care about the contents and the schedule.

All you need to do is to ensure logistics from accommodation to university, meals, evening program and a short city tour/excursion on the arrival and departure days.

#### Organization process

In every IFISO meeting a new management team is elected. IFISO management elected at autumn IFISO meeting 2017 will be responsible for the contents of your meeting but every IFISO management team is there to help you.

#### Participation fee

Unfortunately, IFISO doesn't have any funding for this event, so the money will have to come from participants. It will be up to you to set the amount for participation fee but surely the smaller it is - the better :).
