

Want to gain work experience in the UK or Northern Europe?

1400+ Clinics and hospitals in the IVC Evidensia group across Europe

250 Places available for the next generation of veterinarians!

IVC Evidensia is Europe's leading veterinary care provider based across 11 countries – including the UK and Northern Europe. We invest in our people, premises and process to provide clinical excellence across the continent.

We have a dedicated recruitment team who endeavour to support you at each step of the recruitment process - ensuring we find the right role for you within our IVC Evidensia family.

A great way to get to know us and the industry in Europe is to spend some time at our practices. We can offer you work experience placements in any of our clinics which range from Small Animal, Mixed Animal and Farm.

Doing these placements is a fantastic way of also building relationships with our clinics for the future and a large amount of our graduate academy Vets come from having already spent time at our clinics on work experience.

New Graduate Academy!

IVC Evidensia has a fantastic CPD programme for new graduates looking to start their first role in industry.

We understand how much time and effort you've put into your training. We'll nurture that dedication and ambition and offer you an industry leading career path in an environment that actively encourages clinical excellence.

In addition, we offer the below:

- Small Animal, Mixed Animal and Farm only positions available
- Starting salary of £29,000 per annum
- £5000 bonus payments split into two £2500 at the start of year one and year two
- In house Clinical Coach and Mentor
- Structured CPD days for the two years
- Professional memberships paid for the two years
- Private medical insurance
- Employer Pension Contribution
- Attendance to a national veterinary conference event, as well as our own graduate academy conference each year
- 33 days paid holiday plus birthday leave
- External support available
- Discounted gym membership, cashback benefits system
- Outstanding opportunities for future career development in the UK and overseas

If you would like to discuss any of the opportunities within IVC Evidensia, please email our Graduate Recruitment Manager at GARecruitment@ivcevidensia.com
